Education

BSIT, Computer Science & Engineering	- (2016-2022)
12 th (Senior Secondary Examination) CBSE Board, 82%	- (2015-2016)
10 th (Secondary Examination) CBSE Board, 84%	- (2013- 2014)

Technical Skills

- Programming Languages – HTML , CSS , PYTHON
- Machine Learning and Data science -- Data Analysis, Visualization with Python Libraries.

Employment Details (October,2021 – Present)

- Currently working with Genpact India as a chatbot developer with following responsibilities:
 - Utilized IBM Watson to create conversational AI chatbots catering to different regions.
 - Responsible for maintaining and updating dialogue flow to enhance the performance of the chatbot assistants.
 - Conducted data analysis using Python, extracting and analyzing log files to monitor and improve the assistant's performance metrics.

Academic Projects

- **Simple Movie Recommender system**
 - Movie recommendation system that works using Machine learning algorithms and python libraries. It uses item based collaborative filtering based on their popularity/ Ratings and which are most similar to our choice.
- **Regression based projects –**
 - **predicting survival rate of passengers** : The goal of this project was to analyze a dataset with information on passengers of the Titanic, and then to create a model that would predict whether or not they survived the disaster.
 - **predicting house prices** : The goal of this project was to analyze a dataset with information about the house prices in a certain locality and predict the future prices for the same using linear regression .

Internships

- **Data Analytics virtual internship, Inside Sherpa (July – August 2020)**
Worked on Assesment of data quality and preparation of analysis.
Did exploratory data analysis Using data visualizations techniques and algorithms to present insights.

Certifications and Achievements

- Coursera – Data science Certified course by IBM (September, 2020). (<https://bit.ly/3QWBY6z>)
- Data analytics virtual Internship certification by inside Sherpa (December,2020).
- Python for data science and machine learning bootcamp course , Udemy (2021).
- Eight weeks Data analytics virtual internship training & certification from GRIP At The Sparks Foundation (<https://bit.ly/3RZ8AxS>)
- Data Science Certified Training course from Internshala (<https://bit.ly/3QVvTqX>) (November 2020)

Personal Particulars

Date of birth : January 18, 1999

Gender : Male

Languages Known : Fluent in English & Hindi

Father's Name : Mr. Hariom Bhardwaj

Martial Status : Single
